

We will be combining our donated school supplies for whole class use. There is no need to label your child's individual school supplies, as we will be sharing all things equally. Thank you for purchasing these items so that we are able to be successful this school year!

- Box of crayons (1)
- Box of markers (2)
- Box of White Board Markers (2)
- Glue sticks (4-6)
- Two-Pocket Folder (2)
- Box of Kleenex (2)
- Disinfecting wipes (1)
- ½ inch three ring binder (packet of sheet protectors optional)
- A vinyl rest mat or yoga mat.
  - Vinyl mats can be purchased at Target or Amazon. If you prefer your child rests on a blanket on the floor, that is fine as well.
  - They do need to be able to pack their own backpack if they have a blanket. Unfortunately, we do not have room on our hooks to store blankets. Mats may be stored at school.
- We really appreciate donated snacks, as we have snack every day. If your child will be eating a school snack, please consider donating to our classroom. Anything that can be passed out in handfuls is preferred (pretzels, Goldfish, Cheeze-its, etc.) ☺

We will use many of the items listed below. If you are interested in donating these items, please do so in the following manner; match the first letter of your last name with the corresponding item.

A-F: White cupcake wrappers and brown lunch size paper bags

G-L: Popsicle sticks and clothespins

M-R: Sandwich sized Ziploc bags and cotton balls

S-Z: Small white paper plates and packaging and/or masking tape

Thank you!

\*If you are interested in donating, Mrs. Thompson is requesting 1 package of baby wipes and black sharpies for the students to use in art.
